

ENERGY QUEST

ENERGY QUARTERLY

JUNE 2024 REPORT

Time for a Plan B?

E N E R G Y Q U E S T

EnergyQuarterly

EnergyQuarterly is an up-to-date, independent and comprehensive 160 page report on Australian oil and gas production, reserves, prices and development projects, utilizing EnergyQuest's proprietary statistical data bases.

Each quarter the report provides:

- Comprehensive analysis of current developments and issues in both **global** and **Australian energy**.
- Australian oil, gas, and liquids **production** by basin/field and company, with analysis of developments.
- **Reserves** estimates by product, basin/field and company, with maps.
- Oil and gas **resources** estimates.
- **Domestic gas** and **LNG price** information.
- Analysis of new **gas contracts**.
- Separate estimates of natural gas and **ethane** production.
- Australian **state** gas markets
- Electricity market developments
- Gas-use for **power generation**
- Company production by **region and field**.
- Details of oil and gas **development projects**.
- Major **gas plants** and **pipelines**.
- **PNG** oil and gas production by company and field.
- **New Zealand** production

The report is **timely**, produced within eight weeks of each quarter end.

The report is used by companies for:

- Board presentations
- Investor presentations
- Government presentations
- Strategy development
- Gas purchase and sales
- Liquids purchase and sales
- Market analysis

It is used by governments for:

- Timely statistics
- Analysing supply options
- Ministerial briefing
- Following company activities
- Policy development

It is used by investors and analysts:

- Production monitoring
- Market analysis
- Earnings forecasting

ABN 89 139 665 295 ACN 139 665 295
Unit 1002, 527 Coronation Drive, Toowong QLD 4066
Email: admin@energyquest.com.au
www.energyquest.com.au

E N E R G Y Q U E S T

Data from the report is regularly used by major companies in public presentations, as well as internally. Subscribers include Australian and state government agencies and a wide range of energy producers and energy buyers.

The report is **user-friendly**, with data provided in easy to read tables and Excel spreadsheet format. Charts and tables highlight recent changes.

The data is **rigorously cross-checked** against other sources.

An example of the report Table of Contents and the EnergyQuarterly Order Form are set out on the following pages.

If you are interested in the report, please return the Order Form to admin@energyquest.com.au, or we can provide a sample report for your review.

EnergyQuest retains the copyright to the report, and it cannot be used publicly, copied or distributed without EnergyQuest's permission. The EnergyQuest Standard Terms and Conditions apply, and are available on our website, or through this [link](#).

Yours sincerely,

Rick Wilkinson
Chief Executive Officer

Table of Contents

Preface.....	2
Table of Contents	3
List of Tables.....	7
List of Figures.....	9
Key Statistics	11
New Release – the EnergyQuest Calculator	13
1. Observations	14
Time for Plan B?	14
Future Gas Strategy	15
NT LNG producers step up with domestic gas supply	17
Santos follows the money	18
Chris Bowen set a target, how are we tracking?	19
IEA under fire from Republicans	21
The role of LNG in the North Asian energy transition.....	24
Japan – LNG and coal needed to offset lags in renewables and nuclear restarts.....	24
Korea – LNG likely to defy reduction targets amid renewables shortfall	25
Taiwan – LNG wins as nuclear winds down.....	25
2. Energy Prices	26
Is Australia paying too much for gas?	26
Energy prices falling	28
Australian gas wholesale prices higher qoq	30
Consumer gas prices down 2.3% qoq.....	31
WA domestic gas prices generally higher.....	31
East coast spot prices continue to fall.....	31
Australian LNG prices fall qoq	34
Australian LNG price realisations and domestic gas prices	35
Global prices	36
Global gas prices generally down.....	36
Oil prices falling	36
3. East coast gas market.....	38
Deep dive - east coast supply	38
Queensland	38
New South Wales	39
Northern Territory	39
Solving for ‘y’	40
AEMO Victoria Gas Planning Report 2024.....	41
LNG import projects	41

East coast gas market	42
East coast gas market balanced in March quarter	42
Lower gas supply	44
Storage levels remain relatively low	44
Gas demand – weather analysis	45
Pipeline flows	48
Gas is flowing south from Queensland	48
Recent domestic contracts	50
4. East coast electricity market	52
Still betting on the weather?	52
Wholesale spot prices fell, except for Queensland from Q4 2023.....	55
NEM Generation	57
Coal generation up in Q1 on volume, market share steady on higher overall volumes.....	60
GPG decreased by 100 GWh (-4%) qoq	61
Regulated Gas Price Cap	61
Renewable generation of the NEM share was 38% in Q1	62
Generation by state for Q1	64
Gas generation was steady at a 4.4% share mom in April 2024	65
5. Western Australia energy market	66
Necessity never made a good bargain	66
BHP says it will use gas in WA until 2053	67
The Capacity Investment Scheme comes to WA	68
Western Australia gas prices continue to track higher	69
Gas storage	71
Lower WA domestic gas production	72
Wholesale Energy Market	73
WEM prices	74
6. Energy Transition	75
Australian and WA Governments promoting CCS, Queensland not so sure	75
Renewables	77
CSIRO wades into the climate war	77
Labor goes for broke.....	77
Victoria wants offshore wind in CIS	78
NSW pays to keep Eraring	78
Future Fuels	79
Hydrogen’s big win	79
Project news	80
7. Exploration	82
Is Beetaloo back on agenda for Santos?	83

8. Politics and Policy	86
Future Gas Strategy is a good, but... ..	86
Victoria backpedals on gas	87
Voters back Future Gas Strategy	87
Budget measures	87
9. Companies.....	89
Woodside’s growth dilemma	89
Santos still waiting for a re-rate	89
Where next for Beach?	90
Top 20 summary	90
10. Reserves and Resources	91
Company news	91
Australian gas reserves	91
CSG reserves and resources	96
Australian reserves of oil and natural gas liquids	99
Australian resources of gas, oil and natural gas liquids	101
New Zealand reserves and resources	104
Papua New Guinea and Timor Leste reserves and resources	104
Geographical distribution of oil and gas.....	104
11. Gas Markets and Infrastructure.....	107
Gas consumption shrinks 9% on east coast	107
Higher WA consumption	108
Pipeline flows.....	110
Gas pipeline tariffs	113
East coast gas storage	113
Gas processing plants	114
12. Liquefied Natural Gas.....	116
LNG export markets	121
Australia easily remains top supplier to Japan	122
Korean imports lower.....	123
Taiwan imports steady	124
Projects under development	124
Scarborough milestones	124
Producing projects	125
NWS decline levels out.....	125
Gorgon maintains high output.....	125
Prelude exceeds nameplate	126
Wheatstone still above nameplate.....	126
Pluto maintains top performance	126

Ichthys improves	126
13. Australian Conventional Gas	127
WA offsets a new record low in the east	127
East coast in structural decline	127
Santos recovers in WA.....	127
East coast projects.....	129
NT projects	130
West coast projects.....	130
Santos retains top producer status	131
Western Australia development	133
Waitsia delayed again.....	133
Strike Energy regroups	133
East coast development	134
Cooper Basin development rising strongly	134
14. Coal Seam Gas.....	135
East coast exports approach record level	135
Solid LNG pipeline flows.....	140
Other projects	144
15. Natural Gas and Ethane	146
East coast LNG lifts national gas production	146
Return of John Brookes lifts WA domestic production	149
Ethane production phasing out	151
16. Oil and Liquids	153
Kingfish shutdown a symbol of national decline	153
Cooper Basin decline continues	156
Condensate production increases.....	156
17. Australian Petroleum Production.....	164
Woodside and Santos drop another rung.....	165
18. New Zealand	169
NZ fast running out of gas	169
Pohokura drags down national production	169
19. Timor-Leste	171
Australia bids to break Sunrise impasse	171
20. Papua New Guinea.....	174
Data sources and definitions	177
Definitions	177
Abbreviations.....	178
Conversion factors and assumptions	182
About EnergyQuest.....	183

Our history	183
What we do	183
Our unique approach	183
Our capabilities	183
Business intelligence	183
